SUMMARY

Junior web developer with hands-on experience building web applications using Ruby on Rails, PostgreSQL, and modern JavaScript tooling. Focused on delivering functional features, clean interfaces, and maintainable code. Comfortable working independently in remote environments and adapting quickly to new systems and requirements.

TECHNICAL SKILLS

Languages & Frameworks

- Ruby
- Ruby on Rails
- JavaScript (ES6+)
- HTML5, CSS3

Frontend

- Stimulus
- Turbo
- Tailwind CSS
- Bootstrap
- Responsive design

Backend & Data

- PostgreSQL
- ActiveRecord
- RESTful routing
- MVC architecture

Tools & Workflow

- Git
- GitHub
- VS Code
- ESBuild
- Command line (Linux/macOS)
- AI-assisted development tools

Deployment

- Heroku
- Environment configuration
- Application setup and maintenance

PROJECT EXPERIENCE

Independent Web Application Projects

Ruby on Rails · PostgreSQL · JavaScript

- Built Rails applications with full CRUD functionality.
- Designed and implemented database schemas, validations, and associations.
- Developed responsive, server-rendered user interfaces.
- Followed MVC best practices and clean project structure.
- Implemented forms, file uploads, and user-facing workflows.
- Used Git for version control and iterative development.
- Leveraged AI-assisted tools to improve development speed and code quality.

PROFESSIONAL EXPERIENCE

Independent Contractor – Research & Document Analysis

- Performed detailed document research requiring accuracy and consistency.
- Organized complex information into structured outputs.
- Worked independently with minimal supervision and firm deadlines.

Customer-Facing & Technical Support Roles

- Communicated technical and non-technical information clearly.

- Solved problems in fast-paced environments.
- Built strong written and verbal communication skills.

WORK STYLE

- Reliable in remote work environments
- Strong attention to detail
- Comfortable learning new codebases
- Practical, results-focused approach

ADDITIONAL INFORMATION

- Authorized to work in the United States
- Open to full-time or contract roles
- Remote-only availability
